

is a solution-based sales representative company headquartered in Tulsa, OK with over 100 years of combined experience in multiple industries. See [www.protosfirst.com](http://www.protosfirst.com).

**Custom Sensor Design, Inc.**  
[www.customsensordesign.com](http://www.customsensordesign.com)

Out of Lynnwood, WA; HP/HT pressure transducers and custom solutions.

**Diakont**  
[www.diakont.com](http://www.diakont.com)

Out of Carlsbad, CA; Electromechanical Actuators and Custom Roller Screw Actuators.

**Dynamic Sealing Technologies, Inc.**  
[www.dsti.com](http://www.dsti.com)

Out of Minneapolis, MN; Standard and custom rotary unions, single- and multi-passage rotary manifolds, high pressure inline swivels, subsea flowline swivels, fiber optic joints, value-added manufacturing.

**ELNOR Motors**  
[www.elnor.be](http://www.elnor.be)

Out of Haacht, Belgium; Explosion proof custom electric motors with ATEX, IECEx, Inmetro, UL certs.

**First Subsea Ltd.**  
[www.firstsubsea.com](http://www.firstsubsea.com)

Out of Lancaster, UK; Ballgrab® ball and taper connector technology used for: Riser handling, Subsea mooring, Bend stiffening, Pipeline recovery, Heavy lift, Tendon attachment.

**Hohner Automation**  
[www.hohneroilgas.com](http://www.hohneroilgas.com)

Out of Ontario, Canada; Hazardous area encoders and rig instrumentation with ATEX, IECEx, CSA, EAC.

**Indelac Controls, Inc.**  
[www.indelac.com](http://www.indelac.com)

Out of Florence, KY; Electrical actuators, fail-safe battery back-up systems, control panels, custom mounting kits.

**Jewell Instruments, LLC**  
[www.jewellinstruments.com](http://www.jewellinstruments.com)

Out of Manchester, NH; Inertial sensors, Inclometers, MEMS, Quartz flexure accelerometers.

**Kyntronics**  
[www.kyntronics.com](http://www.kyntronics.com)

Out of Solon, OH; Smart Hydraulic Actuators, Integrated-motor pump actuator.

**Martec Limited**  
[www.martec.solutions](http://www.martec.solutions)

Out of Kent, UK; Connectors and penetrators for topside, downhole and subsea applications, HT/HP glass to metal sealing technology.

**Meridian Laboratory**  
[www.meridianlab.com](http://www.meridianlab.com)

Out of Middleton, WI; ROTOCON® Rotating electrical connectors, zero maintenance technology.

**Performance Controls, Inc**  
[www.pcipa.com](http://www.pcipa.com)

Out of Montgomeryville, PA; MRI Gradient Amplifiers, Motor Drives, Custom Solutions.

**Pyropress Engineering**  
[www.pyropress.com](http://www.pyropress.com)

Out of Plymouth, UK; Explosion and flame proof switches: pressure, temperature, vacuum, level, and flow transmitters.

**Rig Control Products Ltd**  
[www.rcpat.com](http://www.rcpat.com)

Out of Aberdeenshire, UK; BOP Controls, Diverter Controls, HPU's, Hazardous Area Equipment, Well Controls, Probes, Sensors, & DAQs.

**Sensy S.A.**  
[www.sensy.com](http://www.sensy.com)

Out of Jumet, Belgium; Load cells/pins, Tensiometers, Force and Torque Transducers.

**TLX Technologies, LLC**  
[www.tlxtech.com](http://www.tlxtech.com)

Out of Pewaukee, WI; Linear & Rotary Solenoids Solenoid Valves, Custom Electromagnetic Solutions.
